

**The following steps are being taken by the Pearson Convention Center to limit the spread of Covid-19 in our facility:**

- Sanitation stations located throughout the facility.
- Amenity kits with gloves and masks will be available for all guests attending any event at the Pearson Convention Center.
- More space will be given for events, to adequately move around and to avoid crowding.
- Tables will have less guests seated in order to give more distance between individuals.
- Employees will be required to wear gloves and masks while on duty.
- Cleaning and disinfecting continues and will continue to be maintained to a high standard.

Sincerely,  
Management
